This should be our final mid-monthly bulletin as we are resuming our meetings again in November, and members who attend these meetings will be able to see many of these orchids benched.

All details about our next meeting and our requirements for members who plan to attend will be in the normal bulletin at the end of this month, please read it carefully.

A big thank you to the members who sent photos to me to be included in the bulletin. Some will appear in this bulletin and some may be in the next bulletin.
