ORCHID
BULLETIN

Published by The North Shore Orchid Society Inc. ABN 23 037 753 968

Correspondence & membership enquiries to: *The Hon. Secretary*
P.O. Box 212, Forestville, NSW 2087, Australia. northshoreorchidsociety@gmail.com

Website <https://northshoreorchidsociety.org/>

Next Meeting is on Wednesday 5th January commencing at 8pm, at the Forestville Memorial Hall, 3 Starkey St, Forestville. Members may enter the hall and bench plants from 7.00pm.

Guest Speaker This month we are having our regular major culture classes comprising of Bill Dobson showing us how to divide and repot *Dendrobium speciosum*. This is not a job for the faint hearted but the advice Bill will give you is invaluable, and the other culture class is on repotting Cattleya orchids by Garrie Bromley. Now with so many cool growing cattleyas this may encourage you to start growing these gems.

Reminder Members do not need to notify Clover about attending the meeting, although we are asking you to sign in either using the QR Code at the hall or by also getting your name marked off by Clover at the front of the hall. We are still only welcoming members who are double vaccinated or have a medical exception, If you have already attended a meeting and have shown Clover your certificate you do not need to show it again as it will be noted against your name that you are double vaccinated.

Tea Roster As we have no formal roster at present we will be asking for helpers on the night, and now that restrictions have been lifted members are asked to bring a small plate to add to the supper. **We are now also asking members to bring their own cup** as we can no longer supply styrene cups.

ANNUAL SUBSCRIPTIONS ARE NOW DUE

Annual subscriptions are now due 1st January and have not increased. The fees are \$16.00 per single member and \$18.00 per couple or family membership. Fees may be paid to the Treasurer at our monthly meeting, or by mailing to our Post Office Box 212, Forestville, 2087 or by direct credit straight into North Shore Orchid Society's account BSB 082 201 ACCOUNT NO. 509021920 using your name as the reference. If you use internet banking please send an email to the Treasurer Anthony Mobbs at anthonymobbs@yahoo.co.uk confirming your payment. Members who joined last year do not have to pay the annual subscription this year as it is included with their fees already paid.

A pleasant find while out shopping.

For those of you who live on or near the northern beaches, you may have been shopping at the Warringah Mall Shopping Centre off Pittwater Rd at Brookvale.

A few years ago they revamped their common areas and included erecting tall columns which they attached plants to, giving a tropical feeling to the centre. To our great delight we have noticed on at least 2 columns they have attached Cymbidium madidum and these orchids are now very happily growing, and flowering.

This photo shows one of the plants which had two flower spikes this year and was within easy distance of looking at and admiring.

It is very nice to see these centers incorporating our native orchids into their landscaping; too often our native plants are ignored.

SPECIAL THANK YOU ANN BYRON

The committee would like to send a special thank you for the many years of service to Ann Byron who has run our supper roster and table for so many years that I cannot remember her not being there. She has been a stalwart of our society organizing the suppers and the supplies for our society. Ann has finally decided it is time to hand over the mantle to a younger member and filling this position is Lee Payne who has kindly taken on the task.

Thank you Ann.

While Ann is retiring, Norm Byron will still be selling raffle tickets so we will still see them.

Thank You also from the committee to the members who helped set-up the hall before our Christmas meeting and who helped serve the food and tidied up at the end of the night. Your help was appreciated.

EXPANDED CLAY BALLS for water well pots

VIA IAN TANNER

On Monday 29 November I visited URBAN PLANT GROWERS at Marrickville. My plan is to supply to any members who are interested a 2 litre container of clay balls for \$8.00 or a 1kg yogurt container for \$4.00 each, also available are Easy Grow LED Lights as below.

EASY GROW LED LIGHT

There are two versions available. Two fluorescent tubes or three fluorescent tubes in white, purple or red. Indoor application is as follows, purple tubes for root growth, red tubes for leaf growth and white tubes to promote earlier flowering. A loan of a two fluorescent model can be arranged for a demonstration.

GROUP ORDERS ATTRACT A DISCOUNT.

For all information about these products please contact Ian Tanner as below, they are not for sale on, or through the society sales table.
