Next Meeting is on Wednesday, 7th September 2022, commencing at 8pm, at the Forestville Memorial Hall, 3 Starkey St, Forestville. Members may enter the hall and bench plants from 7.00pm.

Guest speaker this month will be James Clugston who was unable to come last month due to illness. James is a postdoctoral research fellow based at Sydney Royal Botanic Gardens with a broad interest in evolution, taxonomy and phylogenetics. His talk will help to define what a species is in the orchid family, something that is not always easy to do or clearcut considering the vast number of orchids so far discovered.

Cultural Class: Bill Hart will give the cultural presentation on a species he grows particularly well, the Coelogyne.

Reminder - Members need to sign in on arrival as an insurance requirement of the society. We still prefer members to be double vaccinated and the wearing of masks is strongly recommended.

Please note that the show bench judging will start at 7.45pm during the winter months. Make sure that you have finished benching your plants before the start of judging.

Tea Roster – We would welcome any contributions to the supper table. Next year we will re-introduce a regular supper roster. Please remember to bring in your own cups as we will not be able to supply Styrofoam cups for much longer.

OUR OCTOBER MEETING

Is being held one week later, 12TH October, due to a book fair that is being held at the hall during our meeting night. A reminder will be in next month's bulletin.

DATES FOR YOUR DIARY

UP COMING SHOWS

Our Spring Show at the St Ives Shopping Village, St Ives. Thursday to Saturday, 15th – 17th September. Set-up is Wednesday night, 14th September – please bring in your plants between 6pm and 7.30pm. Pull-down will be at 4 pm Saturday. We will be asking for helpers at our September meeting. We need your plants for the display and any spare plants you have for the sales table. We also need your help with selling plants, answering questions and providing security. Attached to the bulletin is:

1. The show schedule - please note the class numbers.
2. A form for you to list the plants you are entering in the show. Please list the plant name and the class they are entered in.
3. A seller's plant list which you will need for any Australian Orchids (species and hybrids) that you wish to sell. All other orchids only need the yellow tag attached to the plant showing the price you are asking and your name.
4. A roster for helpers will be passed round at the September meeting. This is our last show for the year and we need your help so please put your name down or contact the Secretary, Clover Bradley.
