**Next Meeting** is on Wednesday, 2 November 2022, commencing at 8pm, at the Forestville Memorial Hall, 3 Starkey St, Forestville. Members may enter the hall and bench plants from 7.00pm.

**Guest Speaker** – Garrie Bromley will give a PowerPoint presentation of the recent Australian Orchid Council's Conference and Show that was held in Brisbane in early September.

**Culture Class** – Irene Chalmers, President of NSW Orchid Society, will be telling us about safe and organic controls that can be used with orchids. This is something we all need to be mindful of and Irene's talk will be of benefit to all of us.

**Reminder** - Members need to sign in on arrival as an insurance requirement of the society. We still prefer members to be double vaccinated and the wearing of masks is strongly recommended.

**Please note that we have now reverted to our normal time of 8pm for the commencement of judging.** Please have your plants for judging benched by this time.

**Tea Roster** – Contributions to the supper table are welcomed. Next year we will re-introduce a regular supper roster. Please remember to bring in your own cups as we will not be able to supply Styrofoam cups for much longer.

**A special thank-you to all those members who helped out last month at the show and plant sales at the St Ives Shopping Village.**

## DATES FOR YOUR DIARY

It is time to start thinking about our Christmas Meeting and Party which will be held on Wednesday, 7<sup>th</sup> December 2022 at the Forestville Memorial Hall.

At this meeting we will have a sit-down meal at no cost for all members and their partners.

The hall will be set up with tables seating eight people. If you would like to get together a group of eight and fill a table, please let Clover know at the next meeting when she will be taking names for the December meeting.

If you will be coming to the Christmas Party, please let Clover know as we need to know numbers for catering.

It is also the first month of next year's annual point score competition and plants will be benched to the side of the hall where we normally have the plant sales table. Obviously there will be no plant sales table during December. We will also have a large raffle and all donations are very welcome, but we do ask that all raffle prizes be something you would want to receive yourself.
