The NORTH
SHORE

ORCHID
BULLETIN

Correspondence & membership enquiries to: The Hon. Secretary
P.O. Box 212, Forestville, NSW 2087, Australia. northshoreorchidsociety@gmail.com

Website <https://northshoreorchidsociety.org/>

Next Meeting is on Wednesday 6th September at the Forestville Memorial Hall, 3 Starkey St, Forestville, starting at 8pm. Members may enter the hall and bench plants from 7.00pm.

This month the culture class will be given by Geoff Le Marne who will give us some valuable advice on growing Cymbidium orchids. Geoff grows some marvelous Cymbidiums and his talk will give us all an insight into how he achieves his excellent results.

The guest speaker will be Gary Hodder. Gary will give us details of orchids that would be suitable for new growers. As we all know, some orchids are easier to grow than others. This talk will help us to avoid huge disappointment when often expensive orchids fail to thrive. We can all relate to this.

Reminder – Members, please make sure you sign in on arrival as this is an insurance requirement of the Society. We still prefer members to be double vaccinated and while masks are not mandatory, they are recommended.

Please bid a warm welcome to our new member, John Byrnes. We hope you have a long and enjoyable stay with the Society.

Tea Roster – The supper table helpers will be Joy Gouvoussis and Ian Tanner. Thank you both for volunteering. Members, please remember to bring in your own cups as Styrofoam cups are no longer available.

North Shore's Spring Show at the St Ives Shopping Village will set-up on Wednesday evening, 13th September from 6pm, and pull-down on Saturday afternoon, 16th September. We need both your plants and your help. We need your plants for the display and any spare plants you have for the sales table and we need your help with selling plants, answering questions and providing security. Attached to the bulletin are:

1. The show schedule - please note the class numbers.
2. A form for you to list the plants you are entering in the show. Please list the plant name and the class they are entered in. You do **not** need to fill in benching cards.
3. The orchids that you bring to sell will only need the yellow tag attached to the plant showing the price you are asking and your name.
4. Australian Native orchids for sale both species and hybrids should be listed on a separate form and handed in with your plants.

We will be asking for members to help with the sales table and security. A roster will be passed around at the September meeting or contact the Secretary, Clover Bradley, if you can help.

The North Shore Orchid Society Inc. disclaims all responsibility for any loss or damage that may be attributed to the use or misuse of information printed in this bulletin.
