Next Meeting is on Wednesday, 6th November 2024 at the Forestville Memorial Hall, 3 Starkey St, Forestville, starting at 8pm. Members may enter the hall and bench plants from 7.00pm. **Please note that this is the last month of the 2024 Show Bench competition. The new (2025) competition starts at the December meeting.**

The guest speaker this month will be Craig Scott-Harden and he will talk about Mark and Joanne Pritchard's Trip to PNG. By all accounts, this will be a most interesting talk and not to be missed.

The culture talk will be given by Clover Bradley who will tell us how to prepare members of the Sarcophilus family for display on the show bench. Sarcs are Clover's favourite orchids and we have all seen the wonderful plants she brings for the display.

Reminder – Members, please make sure you sign in on arrival as this is an insurance requirement of the Society. We still prefer members to be double vaccinated and while masks are not mandatory, they are recommended.

Welcome to our new member: Please bid a warm welcome to our newest member, Sarah Bryce. We hope, Sarah, that you enjoy your membership and find it rewarding.

Tea Roster – The supper table helper will be Ian Tanner. Thank you, Ian, for volunteering. We really need one or two more helpers for this meeting so please let Lesley know if you are able to help.
Members, please remember to bring in your own cups.

DATES FOR YOUR DIARY

It is time to start thinking about our Christmas Meeting and Party which will be held on Wednesday, 4th December 2024 at the Forestville Memorial Hall.

At this meeting we will have a sit-down meal at no cost for all members and their partners.

If you are planning to come to the Christmas Party, please let Clover know as we need to know numbers for catering.

The hall will be set up with tables seating eight people. If you would like to get together a group of eight and fill a table, please let Clover know at the next meeting when she will be taking names for the December meeting.

It is also the first month of next year's annual point score competition and plants will be benched to the side of the hall where we normally have the plant sales table. Obviously, there will be no plant sales table during December. We will also have a large raffle and all donations are very welcome, but we do ask that all raffle prizes be something you would want to receive yourself.

Other dates

Manly Warringah Orchid Society Inc. will be holding its orchid auction at the Cromer Community Centre, Fisher Road North, Cromer on Sunday 10th November 2024. Plants can be inspected from 9am and the auction starts 9:30am sharp. Complimentary tea and coffee. Payment by cash, cheque or card.

Approximately 80 lots per hour will be sold. There is ample seating and plenty of parking. The auction catalogue can be downloaded from the website when available:

<http://www.orchidsociety.com.au/>.

Please note: When plants are put in the wrong class or are put on the show bench in such a way that other members' plants are obscured, the Show Marshall, Garrie Bromley, and the Assistant Show Marshall, Lina Huang, have the authority to move them. At the last meeting, quite a number of plants were incorrectly benched. Please ask a Show Marshall or a committee member if you are not sure which class your orchid should be benched in.
